Job Description

Role title: Dietitian Assistant
Status: Research Volunteer
Location: To be confirmed

Closing date: 31 Oct 2021

Purpose of the role:
The purpose of this position is to assist the dietitian to conduct a comprehensive analysis on the research data collected from our community project targeting children with low socioeconomic status.

Your key responsibilities:
- Conduct literature reviews as supervised by a registered dietitian.
- Analyze data and summarize project results while maintaining the confidentiality of subjects.
- Prepare research documents and materials for submission to agencies.
- Prepare articles, reports, and presentations related to the project as necessary.
- Other assignments as and required.

Qualification:
- Holder of Nutrition & Dietetics degrees/ master. Current students are also welcomed.
- Experience with specialized software or datasets e.g. SPSS, or experience with quantitative data analysis would be an advantage.
- Fluent in written and speaking English and Cantonese.
- Excellent communication skills.
- Excellent analytical and problem solving skills.

Benefits:
- Certification of Appreciation will be provided to volunteers with satisfactory performance.
- Opportunity of job shadowing with an experienced dietitian.
- Training on research skills.

Interested members please send your:
1. Resume;
2. Certificate of accredited Nutrition and Dietetics qualification (or academic transcript for student members) and
3. HKCDA membership number

to bonnie.leung@hkcda.com.hk to assess your suitability.
